Academic Seminar “November Readings” held in Karakalpakstan

An academic seminar “November Readings” was held in Nukus under the leadership of the President of the Academy of Sciences of the Republic of Uzbekistan, academician B.Yuldashev.

The moderator of the seminar was Academician N.K. Aimbetov, Chairman of the Karakalpak Branch of the Academy of Sciences of the Republic of Uzbekistan.

In his opening speech, President of the Academy of Sciences of the Republic of Uzbekistan B.S. Yuldashev spoke in detail to the participants of the seminar on the implementation of the Law of the Republic of Uzbekistan “On Science and Scientific Activities” adopted on October 29, 2019, as well as on reforms in the country in the field of science.

The seminar was attended by scientific and scientific-pedagogical staff of research institutions and higher educational institutions of the republic. Over 10 reports were heard.

During the work at the academic seminar, reports of doctors of sciences and professors who conducted fruitful scientific and scientific-pedagogical activities and achieved significant results in the field of science in the Republic of Karakalpakstan were heard.

Concluding the seminar, President of the Academy of Sciences of the Republic of Uzbekistan B.S. Yuldashev noted that such academic seminars will be held in all areas of the republic.
