“Uzbek Mathematical Journal”

Uzbek Mathematical Journal was founded in 1957. Until 1991 it was named by “Izv. Akad. Nauk UzSSR, Ser. Fiz.-Mat. Nauk”. Since 1991 it is known as “Uzbek Mathematical Journal”. It has 4 issues annually.
Uzbek Mathematical journal is coordinating by the Institute of Mathematics, National University of Uzbekistan (ISSN 2010-7269).
The purpose of Uzbek Mathematical Journal is to provide publication for important mathematical papers. Potential contributions include any work involving a novel application or a development in the methodology of all branch of mathematics. The journal considers all areas of mathematics. All application areas are welcome as well.
Uzbek Mathematical Journal is abstracting and indexing by Mathscienet Zentralblatt Math VINITI Starting from 2018, all papers published in Uzbek Mathematical Journal you can find in EBSCO and CrossRef.

Our pleasure to inform you that starting from 2018, each paper, published in our journal will have own DOI.

Editor-in-Chief

Ayupov Shavkat Abdullaevich

Date of birth: 14.09.1952

Place of birth: Tashkent

Specialty: Mathematics

Affiliation: Director of the V.I.Romanovskiy Institute of Mathematics, Uzbekistan Academy of Sciences

Shavkat Ayupov was educated at Tashkent State University. He is the director of V.I Romanovskiy Institute of Mathematics, Uzbekistan Academy of Sciences (former Institute of Mathematics, National University of Uzbekistan); professor, National University of Uzbekistan; and chairman, Algebra and Functional Analysis Department. He was previously: Dep. Minister of Higher and Secondary Specialized Education of Uzbekistan; Chairman, Supreme Attestation Commission under the Cabinet of Ministers of the Republic of Uzbekistan. His awards include: Uzbekistan Academy Prize for Young Scientists; Uzbekistan Youth Union Prize for Young Scientists; All Soviet Union Youth Prize in Sciences and The First Degree State Prize of Uzbekistan in Science and Technology. He is a member of the Uzbekistan Academy of Sciences (elected in 1995) and American Mathematical Society. He was a senior associate, ICTP, Trieste, Italy, 2008-13. He is a Fellow of TWAS (The World Academy of Sciences) since 2003.
